

PCMA EDUCON

JW MARRIOTT DESERT RIDGE, PHOENIX, AZ | JULY 7-9, 2021

Your well-being is PCMA's #1 priority. Here's what we're doing to protect your health and peace of mind so you can focus on getting down to business.

HEALTH & SAFETY PLAN

PCMA has partnered with Safe Expo to oversee the onsite Health & Safety Plan in addition to adhering to Marriott's Connect with Confidence. Both follow strict CDC guidance for meetings and events while still allowing guests to come together safely.

Symptom screenings and temperature checks will be conducted daily before being allowed to participate in the event. Anyone with an elevated temperature of 100.4°F/38°C or higher will be offered the opportunity to re-check their temp or return to their room.

Masks are required and will be provided for attendees. To promote the health and safety of our Marriott communities, face coverings are required for guests and associates in all indoor public areas at the JW Marriott Desert Ridge.

Hand sanitizer stations will be available throughout the event. Hand sanitizer will be plentiful throughout the venue.

Social Distanced Seating: Current distancing guidelines will be followed for the set in each session room and in all open space.

CLEAR HEALTH: PCMA will be using the **Safe Expo + Clear Health Attestation Program.** After you have received the COVID-19 vaccine, simply link to your healthcare account to confirm your vaccine records in a secure, verifiable and privacy-preserving way. **Download the App**

Know your risks when traveling.
